Dear Parents,

Registration for the 2017-2018 school year begins in January. Children already enrolled in the Timonium United Methodist Nursery School will be given a chance to register before we open to the public. Everyone must register in-person, it is not automatic. If you are unable to register your child on his/her appropriate day, another adult may do so in your place. If your registration date is missed, your application will be handled individually on a first come, first served basis according to the remaining class openings. Families with more than one child attending TUMC simultaneously will be given the option to register both children at the same time, at the earlier of your appropriate registration dates. Registration will be held in the library outside the nursery school office starting at 9:00. Additional registration forms can be found on the website, www.timoniumumc.org and click on Nursery School and then on forms.

Monday, January 9 at 9:00 registration for in-house four year-old classes (plus two or three year old siblings). Snow date – Wednesday, January 11

Tuesday, January 10 at 9:00 registration for in-house three year-old and two year-old classes (two-year-olds must have a sibling currently enrolled at Timonium Nursery School). Snow date – Thursday, January 12

Wednesday, January 11 at 9:00 registration for church members and families of former students. Snow date – Friday, January 13

Thursday, January 12 at 9:00 open to the public, all ages. Snow date – Friday, January 13.

The snow date is to be used only when school is closed. If Baltimore County Schools open one or two hours late, registration will be delayed 1 hour. If Baltimore County Schools are closed, registration will be held on the snow date.

Have your registration forms filled out. A non-refundable \$50.00 registration fee plus the last month's (May 2018's) tuition must accompany the registration form, check only. No requests for teachers will be accepted. After January 10 children presently enrolled will no longer be guaranteed placement, so please call if you can't be there on the 9th or 10th. We suggest that children not be present for registration to make it less stressful for all involved.

Health forms once on file, do not need to be resubmitted. All new students must have health inventory, immunization record and an emergency form on file by July 1st.

The tuition payments will be due August 1, November 1, 2017 and February 1, 2018 on the three-payment plan.

We feel privileged to have your child in our care.

Sincerely,

Carol R. Wirth
Nursery School Director
